\$50,000

Over the past 2-1/2 years, Forests Forever, Inc. has raised \$182,900 in cash and building materials to build a new classroom at the Hopkins Demonstration Forest. The building is projected to cost \$325,000 to complete.

Recently, FFI received a \$50,000 match grant from the MJ Murdock Charitable Trust to help us finish the fundraising to build the new classroom. For each dollar donated after March 1, 2010 Murdock will match dollar for dollar up to a total of \$50,000.

Thanks to this very generous grant, Forests Forever now has enough money to build a weather-tight building shell. Construction begins on June 1. Remaining funds raised will complete the construction and all interior and finish work.

Help complete the classroom at Hopkins! Double your donation now thanks to the MJ Murdock Charitable Trust. Together we will see the classroom open for use by the winter of 2011.

For information about the classroom building project, visit www.demonstrationforest.org or contact Ken Everett, Executive Director of Forests Forever, Inc. at 503-655-5524.

YES! I want to help with the New Classroom Building at Hopkins

Enclosed is my gift of \$ _____

I would like to make a pledge in the amount of \$ _____. Please bill me.
